Brand New Book ***** Print on Demand *****.A true story, The Fulfillment is a tragic and triumphant tale that will both break your heart and lift you high in ecstasy at the incredible miracles that result from Patti Harter s powerful commitment to helping Marion (Hume) in her time of need. The book is a court-documented memoir of Divine Intervention in human affairs through the power of prayer. The author begins her story by describing an experience she had at age 28 with the Radiant Light - the Divine Energy, she believes, that ignites the material universe. This mystical experience transformed her life. It confirmed for her that our lives are a reflection of our beliefs - nothing more, nothing less. We have the ability to transform our experiences in this world by changing our minds. This book helps you understand the process that can take you from victim to victor in any circumstance.
