Sofia Bonnet Hollis, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English,Spanish . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is about the emotional voyage of a mother of twins -a literary compilation of the most important phases any mother of twins goes through: when she finds out there are two heartbeats in her belly, when the babies arrive, when they start walking, when they mesmerize everyone around them with their charm, when they start talking, climbing, going to pre-school, entering kindergarten. It is also about the hard parts, the tantrums, the lack of sleep, the fights, the disappointing moment when all mothers realize they have become the rule-makers, the ones who are standing in the way of fun. It is about that, multiplied by two. This book is for you if you: are pregnant with twins (or are thinking about it) are a twin or have twins of any age have friends who have twins are a mother or father (or want to become one) Each chapter will take you through the many unforeseen situations living with twins entails, and if you are a parent of twins, hopefully will help you realize you are not alone. You will find solace in the fact that others have walked the same path and survived. And you will too. This book will make you smile. It is written in a very sensitive yet funny style, and who cannot use humor when you are raising two kids at the same time? Enjoy!.
