Special Interest Model Books, United Kingdom, 2008. Paperback. Condition: New. Illustrated. Language: English . Brand New Book. A full colour guide to photographing model aircraft and trains against realistic backgrounds, using computer software such as Photoshop. Home computers and digital cameras have given aircraft and train modellers the opportunity to add a very creative and enjoyable new dimension to their hobby. With fairly basic computer and camera skills, the models can be displayed in their true environments: images of aircraft can appear airborne and trains can be brought to life by the simple addition of smoke, steam and footplate crew. This book provides brief tutorials on the methods the author uses and illustrates in full colour many examples of the final results.
