CHECK UP FROM THE NECK UP: DISCOVER AND UNLOCK THE POWER OF YOUR TRUE SELF

Brolga Publishing Pty Ltd. Paperback. Book Condition: new. BRAND NEW, Check Up from the Neck Up: Discover and Unlock the Power of Your True Self, Andrew Horsfield, DISCOVER AND UNLOCK THE POWER OF YOUR TRUE SELF Overview This book has been designed to encourage and expand your thinking. If reading it promotes you to go out and take action; awesome. If you take your thoughts to a dinner conversation; fantastic! If you just set aside some quiet time to read and contemplate; enjoy! The intention is for people to enter and interact with this book through whatever means, level and pace they feel comfortable. The purpose of this book is not to tell you how things are, how much you should be earning, what you should be striving for, what balance life should have or what you should value and in what quantity. From my experience, I have learned that nobody likes to be "should" on. The sole aim of this resource is for you to raise your level of mindfulness around how you are living your life. This is a book for self reflection NOT self help. Answers for questions that are raised will not appear upside down at the back of the book. Exploring what arises for you as you read is up to you. Are there tips and pointers to help you along the way? Sure, but relying on someone else to guide this thought journey will only leave you frustrated. Only YOU can determine if the choices you are making are helping or hindering you. Life has the potential to be magical or miserable and you have the wand in your hand. What is it that you will create for yourself? Formula for Success How well do you truly know yourself? Your level of self awareness about who you are and what you stand...
