Oxford University Press Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Perhaps most interesting are the details Southern provides about everyday life in the Roman army, everything from the soldiers pay (they were paid three times per year, but money was deducted for such items as food, clothing, weapons, the burial club, the pension scheme, and so on) to their often brutal life-if whole units turned and ran, about one-tenth of the men concerned were chosen by lot and clubbed to death and the rest were put..
