The confirmation is the creation. The universe is the proof of the truth. The Bible is the revelatory declaration. Jesus Christ is the manifestation. Man cannot truthfully and successfully deny the overwhelming reality of God without plunging himself into a fantasy world of perplexing confusion and insanity. The graphics of law, art, religion and science are used to help man in the late date of the 21st Century to get beyond his irrational and infantile denial of God in the face of invincible evidence and infallible proof. Mans denial of God and rebellion against God is a vain self pride and irrational denial of the foundation of his own existence. In view of humanitys escalating lethal cultural crises, can the world afford the anti-God, anti-Christ, anti-Bible and anti-truth spirits in a GPS laden globalized nuclear and other weapons of mass destruction world This item ships from multiple locations.
