THE INDELIBLE RED STAIN: THE DESTRUCTION OF A TROPICAL PARADISE: A COLD WAR STORY

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1950 Dr Cheddi Jagan began a movement to transform British Guiana into a Marxist state in South America and soon allied with the USSR in the Cold War then gaining steam. The Indelible Red Stain - this massive two-volume blockbuster--by Guyanese doctor and political insider Dr Mohan Ragbeer revives the story. His masterful opus will probably become the keystone to understanding the destruction of British Guiana, its bloody race war, and the massive exodus. Their inept and stubborn pursuit of an unrealistic goal against sage advice, beguiled by an adoring and uninformed following, culminated in the fall of British Guiana, Dr Jagan's disgrace and the shattering of many dreams, hopes and lives. The historical facts and the roles of international agencies--MI5, CIA, KGB and others--are as well-known as the ending of Salvador Allende's socialist regime in Chile, but this book corrects errors and is a stunning insider expose of Jagan's bungling of government and...
