Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Study guides can come in quite handy at times. One such time is when a student is preparing for a Biology exam. These tests can be quite complex. Studying from an excellent guide can mean the difference between passing with flying colors and failing miserably. A study guide will help the student go over any information he or she may have forgotten. Additionally, the study guide will help go over key points, as a way of before test content reviewing.
