

Demographic Suicide in the West and Half the World: Either More Births or Catastrophe? (Paperback)

By Mr Alejandro Macarrón Larumbe

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book deals with one of the most dangerous social patterns of our time: the insufficient birth rate in Western countries and many others, the consequences of having so few children, and the causes and possible solutions. With fewer babies every year, to warn that society is on the way to extinction is not an unfounded, over-frightening prophecy. It is simple math, of the kind a ten-year-old child can handle. And before disappearing, an infertile society is bound for population loss, increased aging, economic and affective impoverishment, a replacement of genuine democracy by gerontocracy, and a loss of relevance in the international/geopolitical arena. EITHER DEMOGRAPHIC REVIVAL OR DEMOGRAPHIC SUICIDE. I was shocked by the imminence of the terrors he describes, because they all result from obvious mechanisms which the author lays out to the reader. What I like is the author's soberness and objectivity. The facts he presents are shocking but he never overstates them (HANS-WERNER SINN - Economist. Professor emeritus of Munich University and ex-president of the Ifo Institute for Economic Research) AN EXTRAORDINARY AND VERY VALUABLE BOOK. Exciting to...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

-- Mrs. Ellie Yost II

This pdf is amazing. It really is rally exciting through looking at time. I am easily could possibly get a satisfaction of looking at a created publication.
