paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 320 Publisher: People's University of Pub. Date :2011-8-1. Probability and Mathematical Statistics (Economics and Management. Fourth Edition) According to the undergraduate institutions of higher learning administered by the class of probability theory and mathematical statistics courses teaching the latest written in outline and outline PubMed. and on the basis of the third edition has been revised and improved. focusing on the actual background of mathematical concepts and the introduction of geometric intuition. emphasizing mathematical ideas and methods in close touch with reality. the professional courses. fine selected a number of practical cases and exercises with the corresponding application. add and adjust some of the examples and exercises. the book also incorporates a simple mathematical software mathematica application examples. This upgrade is another important feature of revision: Each textbook comes with network account. through which users can log on by a special team set up learning spaces. and mentors from around the country for online communication and discussion. The space for the course forum. study questions and answers. learning software. teaching videos. teacher guiding. teaching blog. search features such as part of science. and full support for text. formulas and graphics. online editor. modify and search. Probability and Mathematical Statistics (Economics and Management. Fourth Edition) includes the basic concepts of probability theory. and multi-dimensional random variable and its distribution. the number of characteristics of random variables. basic knowledge of mathematical statistics. parameter estimation. hypothesis testing. analysis of variance and regression analysis and other knowledge. Contents: Chapter 1. 1.1 the probability of random events and random events the probability of random events 1.2 1.3 and the geometry of classical probability model takes the conditional probability of type 1.4 1.5..
