

Yes, You re Pregnant, but What About Me? (Paperback)

By Kevin Nealon

HarperCollins Publishers Inc, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. A massive international celebrity, at fifty-three Kevin Nealon thought he had it all. But like every other overindulged superstar, the perpetually insatiable Nealon wanted more: a little addition that drooled, burped, and pooped (no, not a Pomeranian). In Yes, You re Pregnant, but What About Me? Nealon courageously reveals the truth about confronting first-time dadhood at an age when most fathers are packing their kids off to college. In hilariously vivid detail, he carries the reader through all the emotional stages of pregnancy-discomfort, denial, hunger, exhaustion, self-consciousness, hungrier, confusion, crankiness, not-quite-as-hungry-but-still-craving-something, sweatiness, covered in cookie crumbs-while addressing the major worries that fathers everywhere have been dealing with for centuries: Can I duct-tape a crib together? How often can I reuse a disposable diaper? What if the baby looks like me and not my wife?.
