New Holland Publishers. Hardback. Book Condition: new. BRAND NEW, The Laws of Sisterhood: The Girlfriends' Guide to Successful Dating and Finding the One, Pam Spurr, It seems everyone is currently talking about Taylor Swift's comments about sisterhood and the importance of female friendship, as seen in the new issue of Vanity Fair. "It's almost like the sisterhood has such a higher place on the list of priorities for us. It's so much more important than some guy that it didn't work out with." The Laws of Sisterhood is the ultimate guide for single women, whether 18 or 58 and back dating again. Whether looking for love - or happily single but wanting the best out of dating - 'The Laws' give you the confidence to make the most of today's complicated dating scene. Research shows the stronger your friendships, the more confident you are to face dating highs-and-lows. Relationship, dating and self-help expert Dr Pam Spurr reveals how to improve those all-important friendships through the code that makes your friendship strong and you even stronger. Plus how to help each other as friends from the first date onwards. Dr Pam provides a vast array of tips, tricks and techniques to make you more 'dateable'. These include how to improve your dating confidence so you can be your best on the singles' scene. She reveals many crucial behavioural signs men give off that tell you what they'd be like as potential partners. Plus she provides the key body language signals you must be able to read in him as well as improving your own body language. Dr Pam explains the must-know 'love profiles' that help you understand how women and men date-and-relate, improving your chances of making a good match. She includes extensive advice for online dating, how to have great all-important first dates, and...
