Southern Illinois University Press. Paperback. Book Condition: new. BRAND NEW, Entertaining the Nation: American Drama in the Eighteenth and Nineteenth Centuries, Tice L. Miller, Robert A. Miller examines American plays written before a canon was established in American dramatic literature and provides analyses central to the culture that produced them. The volume also looks at the shift in drama that paralleled the one in political power from the aristocrats who founded the nation to Jacksonian democrats. Miller traces how the proliferation of newspapers developed a demand for plays that reflected contemporary society and details how playwrights scrambled to put those symbols of the outside world on...
