Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Popular Fruit Growing: Prepared Especially for Beginners and as a Text Book for Schools and Colleges The development of the teaching of Agriculture has made necessary, and has been largely dependent on, the making of textbooks of various kinds adapted to the special technical work for which our best agricultural schools stand. When these agricultural colleges started there were no textbooks adapted to their special lines of work, and the demand necessitated the hasty preparation of textbooks which are now being replaced by those that are more complete and better adapted In every way for teaching purposes. This book is the result of the development of the teaching of Fruit Growing in the University of Minnesota and is, in a way, a compilation of lectures on Fruit Growing given to the students which have been carefully revised and considerably extended. At the end of each chapter are suggestive questions on the matter presented. An appendix is added which contains formulas for fungicides, Insecticides and grafting waxes, etc.; lists of fruits recommended for special typical states...
