Psychometric Testing In A Week: Using Psychometric Tests In Seven Simple Steps (Paperback)

By Gareth Lewis, Gene Crozier

Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Psychometric testing just got easier We can measure how tall someone is, how strong they are or how fast they can run. But is it also possible to evaluate an individual's character traits, how they think and how they might react in a given situation? With psychometric tests, we can. Most people feel some trepidation at just the thought of taking a psychometric test. These tests can also be a source of anxiety for those who have never administered them before. If you are a project manager or an HR professional tasked with introducing psychometric tests to your organization and have no previous experience of using them, then reading this book is the first step you should take. Our aim is to overcome any fear of using tests by demystifying a subject that can, for the uninitiated, seem quite complex and daunting. This not a technical manual and so we have avoided unnecessary jargon and academic language. You certainly won't need a degree in mathematics or psychology to comprehend any of the contents. We will provide simple descriptions of psychometric tests, the benefits they offer,...
