Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Perfect for any home cook or professional chef, The Royal Baker and Pastry Cook: A Manual of Practical Cookery is a book on baking and cooking published by the Royal Baking Powder Company. This company was, at one time, one of the largest producers of baking powder in the United States and produced and printed several books with information on baking and cooking for the general public, ostensibly using their products as the basis for most of the recipes. This publication contains information helpful to bakers and cooks, detailed recipes for baked goods and savory dishes, and a wealth of information on twentieth century cooking and baking. Beginning with general directions and cautions for every reader, The Royal Baker and Pastry Cook includes hints on pastry making, cake baking, and general advice for the home cook. Organized in the style of a typical reference book, this text is a tome of information on baking, with small articles on every type of ingredient (including pertinent information that might be helpful to bakers or cooks interested in preparing that particular item), recipes for specific dishes, and menu ideas. Some of the more interesting recipes include: cheese cakes, fish salads, and calf s feet jelly (yum!). The book contains a lengthy discussion of food preparation, including canning and preservation. Finally, the publication includes essential information on weights and measures--incredibly helpful for bakers and cooks who need to know the correct measuring for different recipes. The Royal Baker and Pastry Cook: A Manual of Practical Cookery is an incredible reference for any baker or cook, regardless of skill level. The encyclopedic style of this book, including a variety of articles on a wealth of topics,...
