

A Guide to the Antiquities of the Stone Age: In the Department of British and Mediaeval Antiquities (Classic Reprint) (Paperback)

Filesize: 5.42 MB

Reviews

These kinds of pdf is every thing and helped me hunting ahead plus more. It generally does not cost too much. I am delighted to tell you that this is actually the finest publication we have study in my personal life and might be he finest ebook for at any time.
(Dr. Veronica Hoppe)

A GUIDE TO THE ANTIQUITIES OF THE STONE AGE: IN THE DEPARTMENT OF BRITISH AND MEDIAEVAL ANTIQUITIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Guide to the Antiquities of the Stone Age: In the Department of British and Mediaeval Antiquities A sense of international justice led him to desire that the finest pieces from these discoveries should be returned to France; hence, a number of carvings, as well as the engraving of a mammoth, perhaps the best example of palaeolithic art, are only represented in his own collection by plaster casts. A portrait bust of Mr. Christy stands at the foot of the spiral staircase leading from the Stone Age Gallery. For a few of the illustrations the Trustees of the British Museum have to thank Mr. Worthington G. Smith, in whose work on primeval man figs. 2, 3, 4, 9, 11-14, and 141 have been published: and the Society of Antiquaries of London for figs. 87, 112, 136-140, and 142. Nearly all the other drawings, as well as the plates, have been specially prepared for this Guide, and comprise a large number of objects that have not been hitherto published. It may be added that where the illustrations are not full size, the amount of reduction is indicated by a fraction; thus, means that the original has twice the length and breadth, but four times the area, of the reproduction. The antiquities of the Stone Age from this and other countries are arranged as far as possible in chronological order, beginning with the palaeolithic series in Wall-Case 99, which is reached by the western spiral staircase, on the left of the opening into the Prehistoric Room. At the foot of this staircase is a map of England and Wales, marked to show the sites of bone-caves and palaeolithic discoveries; while at...
