Therefore. the issues of agriculture. rural areas and farmers (referred to as the three rural). bound to China to achieve modernization process in the most urgent need to address the most difficult to solve basic problems. In today's China. the most bitter of farmers. the poorest rural areas. the most likely to lead to social and economic order of the restive factors or agriculture. Mao Zedong. Deng Xiaoping. the great revolutionary practice proved really bad solve the three rural issue. but not insurmountable. In order to solve the three rural issues into the 21st century. as advocated by Comrade to concentrate the wisdom of the whole Party and the people. Academic research scholars. in fact is one of the basic World Central concentrated wisdom essential. As a conscious behavior to contribute their wisdom to solve the three rural problem. the book uses a swordfight - against the three rural issues of major theoretical and policy. institutional issues - the way of academic contention. The so-called academic contention regardless the gunpowder child. by its very nature. is in the intellectual brainstorming. I hope that the book will solve the three rural issue has been the promotion of collective wisdom. hope that readers care about the three rural issues the wing. The directory first part of the final conclusion: the working children of farmers made money....
