

## Discrete Structures with Contemporary Applications

By Stanoyevitch, Alexander

Chapman and Hall/CRC, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: ". this textbook is excellent. The author clearly had put a lot of effort in presenting the topics clearly and as engaging as possible. His many years of teaching and mentoring clearly show. The more I read it through the more I like the book, especially how the exercises are so carefully selected and presented. For this reason alone, this book is worth keeping and using. . The topics covered should provide enough materials for two or even three semester courses. I heartily recommend this textbook and have been using it both in preparing teaching materials and in educating myself. . The level of difficulty makes this book suitable for undergraduate and beginning graduate students of mathematics and computer science." --IACR Book Reviews, September 2014 ".this is the most physically readable textbook that I have seen in a long time. The print is clear and large . The text is readable, there are many examples and in many cases proofs of the theorems are included. A large number of exercises are provided and split into two categories, the traditional math problem and...
