Chalice Press. Paperback. Condition: New. 176 pages. If you learned your world was ending, how would you respond Terror Grief Anger Nostalgia Despair Any of these responses are understandable. Thats human nature. Consider an alternative: Embracing the liberating mindset that youve got nothing left to lose. The Mainliners Survival Guide to the Post-Denominational World considers how the declining church should live into the hope of its legacy by living out the Gospel s radical nature with reckless abandon. In a world where the fastest growing religious self-designation among emerging generations is none, the hope of the church may lie in worrying less about the survival of the church and aiming more toward living like Jesus.
