Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Listed as a Must-Read, The Advocate calls it a casual but highly readable memoir. Sunshine had been unlucky in love-with both men and women-for years. She needed a new plan. What else could she do but hit the internet, cross her fingers, and hope for the best? In this heartfelt, humorous memoir the author takes readers on her personal journey of falling in love with Leor, who was born female, but who became the man of her dreams, through all of the ups and downs of loving a newly transgendered man. This riveting memoir is part love story, part Rorschach relationship test, and a psychological mirror for everyone who has ever been in love. The book gives readers an extremely rare and intimate glimpse into the lives of transgendered people and the people who love them. It also helps shatter preconceived notions about gender identity. And it should be required reading for those about to embark on a relationship, no matter their sexual orientation. When My Boyfriend Was a Girl is a mind-blowing memoir that will shatter any preconceived notions you have about gender, relationships, and love. With a foreword by Max Wolf Valerio, author of The Testosterone Files.
