Yu, the Great (Paperback)

By Paul D. Storrie

Lerner Publishing Group, United States, 2011. Paperback. Condition: New. Sandy Carruthers (illustrator). Language: English . Brand New Book. This graphic novel tells the legend of Yu the Great, a Chinese hero from the twenty-first century B.C. Some scholars believe Yu actually existed and that he founded the Xia Dynasty, the first Chinese empire described in historical records. Some later Chinese texts describe Yu as a kind and strong emperor whose engineering projects saved China from frequent floods. But in Chinese legend, as in this book, Yu is descended from the gods and born from a golden dragon. He saves China from floods by using magical soil to plug underwater springs, with the help of a tortoise, an owl, and a dragon.

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Adell Lubowitz**

The very best book i actually study. It is actually writer in easy terms and never hard to understand. Your daily life period will probably be enhance when you total looking over this publication.

-- **Edna Rolfson**
