DARFUR: A 21ST CENTURY GENOCIDE

[DOWNLOAD](#)

Cornell University Press, United States, 2008. Paperback. Book Condition: New. 3rd Revised edition. 188 x 127 mm. Language: English . Brand New Book. Praise for the 2005 Edition: A passionate and highly readable account of the current tragedy that combines intimate knowledge of the region's history, politics, and sociology with a telling cynicism about the polite but ineffectual diplomatic efforts to end it. It is the best account available of the Darfur crisis. Foreign Affairs Does the conflict in Darfur, however bloody, qualify as genocide? Or does the application of the word genocide to Darfur make it harder to understand this conflict in its awful peculiarity? Is it possible that applying a generic label to Darfurian violence makes the task of stopping it harder? Or is questioning the label simply insensitive, implying that whatever has happened in Darfur isn't horrible enough to justify a claim on the world's conscience, and thus invite inaction or even the dismissal of Darfur altogether? These questions lie at the heart of a much-needed new book by Gerard Prunier. In this book, Prunier casts aside labels and lays bare the anatomy of the Darfur crisis, drawing on a mixture of history and journalism to produce the most important book of the year on any African subject. The emergency in Darfur in western Sudan is far from over, as Gerard Prunier points out in this comprehensive and authoritative book. . . . He concisely covers the history, the conflicts, and the players. . . . This book is essential for anyone wanting to learn about this complex conflict. Library Journal If Darfuris are Muslim, what is their quarrel with the Islamic government in Khartoum? If they and the janjaweed evil horsemen driving them from their homes are both black, how can it be...
