

## Starting Out in the Pharma Industry: Essential Knowledge for Life Scientists (Paperback)

By C F Harrison

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Bored of academia? Sick of publish-or-perish and the grant-chasing treadmill? You've probably thought about building a career in the pharmaceutical industry, only to find a confusing world of unfamiliar terminology, requirements, and job descriptions. This book explains the many complexities of the pharmaceutical industry: the processes, the expectations, the skills you need to know and the careers you can enter - all laid out in an informative and jargon-free manner. For those who have started or want to start in the pharmaceutical industry, this book is a vital resource. What does it include? - An introduction to the entire drug development and manufacturing process. We examine how a drug goes from chemical entity to a final pharmaceutical; how drug batches are made, checked, and released to the market; we look at the marketing process, pharmacovigilance, and how processes change over time. - Industry expectations. We look at the knowledge you should learn during the first few weeks and months, attributes you should be cultivating, and how to work effectively with your manager. - Industry skills you need to succeed....
