ZONDERVAN, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Among the many pressing social concerns that have galvanized evangelical Christians response-abortion, human trafficking, environmental degradation, and many others-the care of animals has received relatively little attention.Yet as author Sarah Withrow King deftly uncovers in Vegangelical, animal stewardship is a necessary aspect of a holistic ethic of Christian peace and justice. Indeed, care for animal welfare correspondingly strengthens our care for environmental and human flourishing.Practical, restrained in its conclusions, and grounded on a broader theology of Christian compassion, Vegangelical calls readers to a greater attentiveness to one of the primary relationships in God s created order, that between humans and animals.
