**THE POLICE IN WAR: FIGHTING INSURGENCY, TERRORISM, AND VIOLENT CRIME (PAPERBACK)****DOWNLOAD**

Lynne Rienner Publishers Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Frustrated efforts in both Iraq and Afghanistan give urgency to the question of how to craft effective, humane, and legitimate security institutions in conflict-ridden states - and whether legitimate policing can in fact be developed in the midst of insurgency and terrorism. David H. Bayley and Robert M. Perito confront these questions head on. Against the backdrop of failed US attempts to train police forces in Iraq and Afghanistan, Bayley and Perito explore the role of the local police as an element of successful peace operations and counterinsurgency campaigns. Their analysis ranges from the specifics of training to the larger arena of broad institutional reform. Equally practical and grounded in theory, their work offers crucial guidance on the role and training of local police forces that must grapple daily with the challenges of ongoing conflicts. This book confronts the issue of how to craft effective, humane, and legitimate security institutions in postconflict states - and whether legitimate policing can in fact be developed in the midst of insurgency and terrorism.
