Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A rant from start to finish on the subject of assertiveness and how mind control is the used by manipulative individuals to control the passive and emotionally unfulfilled. The emphasise is on awareness rather than on technique. Not designed for the grammar Nazi as this comes with all the grammatical ranty mistakes you would expect for a rant; however insights are available for those who want them.
