It doesn't seem to matter what you do in your day, you will have to brave the storm at some point, which means you have to keep warm. What better way to stay warm and cozy as you go about your day than with a pair of mittens? Mittens are perhaps one of the most fun parts of the season. They come in all kinds of colors and patterns, they can be as large or as snug as you like, and they can look how you want them to look. You can pick from the bucket of mittens you have in the corner of your mud room, or you can go to the store and choose from the same old selection everyone else is. No matter how you go about it, you are stuck. That is, unless you make it yourself. And that's where this book comes in. In it, I am going to show you how to make a variety of your own crochet mittens, giving you step by step directions to complete...
