

Website Management (Paperback)

By G Elliott

Lexden Publishing Limited, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is essential reading for anyone studying website management as a part of a course and for anyone who manages a website. It provides the reader with a good understanding of the many underpinning technologies that are essential for a solid grounding in the area of website management. It is packed with useful tips and explores practical issues such as: the role of the webmaster; web coding standards; data protection; accessibility; and how to market the website. Examples of exam questions and sample answers are included for each chapter. The Author Geoff Elliott is the information and learning technology coordinator for an FE College. He has considerable experience of managing a multimedia development team to produce learning materials for Internet delivery of higher education courses, and is active in researching educational hypermedia and associated development tools.
