## BEYOND PALOMAR LOVE ROCKETS

Fantagraphics. Paperback. Condition: New. 256 pages. Dimensions: 9.1in. x 7.5in. x 0.9in. Two classic Love and Rockets graphic novels in one beautiful volume: Poison River traces the backstory of Luba, from child to teenage mob bride to her escape to Palomar; Love and Rockets X is a wide-ranging, Altman-esque story set in early-1990s L. A. For the first half decade of Love and Rockets, Gilbert Hernandez focused on fleshing out his small Central American hamlet of Palomar. But eventually this became too restrictive for the kinds of stories he wanted to tell, and he created, in quick succession, two major standalone graphic novels. Beyond Palomar collects these two groundbreaking works, together for the first time. Poison River is a dizzying period piece often hailed as one of Hernandez's masterpieces. It traces the pre-Palomar childhood of Luba, her teenage marriage to gangster Peter Rio, the secrets behind her mysterious mother, all the way up to her subsequent escape and arrival in Palomar. This story introduces a number of characters and themes that occupied later issues of Love and Rockets (including Luba's mother Maria and her sinister guardian angel Gorgo), and is a riveting page-turner besides, with lots of sex, drugs, guns, politics, and women who can crack walnuts with their stomachs. Love and Rockets X, set in the early 1990s (in the waning years of Bush Is post-Reagan hangover, with Gulf War I in the background), takes us from plush Beverly Hills to the dangerous east side and introduces us to a dizzyingly diverse cast of characters, including a lowlife rock n roll band, a posse of black youths, a ditzy Hollywood mom and her spoiled son, a gay activist filmmaker and his rebellious, half-Iraqi daughter, and a group of racist thugs whose violent attack on an older woman sets the plot...
