Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. My Debut: Freedom From my Current Reality is about the oppressed minds of many African Americans. Many of us are so accepting of our current situation, not realizing that we may not be living the purposeful life that God intended for us to live. African Americans were physically freed from slavery but it has taken our minds awhile to adjust or even accept the fact that we are actually free. We must free our minds from the fears that prevent us from trusting God enough to take the leap of faith and live in our purpose. There is Peace in Purpose. When we operate outside of GOD s intended purpose for our lives, there is no peace, there is so much stress and there is so much anxiety because we accept our current situations as our reality. Our jobs begin to cause stress and anxiety. Our relationships begin stressing us out. We are unhappy with how we look. We are unhappy in our spiritual walk. Everything around us makes it seem as if we are trapped. We have to step out of the box and out of our comfort zone and be willing to step into our purpose. I am almost there and I want you to take the freedom train with me. He whom the son sets free is free indeed. John 8:36.
