

Sampling Techniques for Forest Inventories (Hardback)

Filesize: 8.21 MB

Reviews

Simply no words and phrases to spell out. it was writtern extremely perfectly and useful. I am easily could possibly get a satisfaction of looking at a composed publication.

(Prof. Maudie Ziemann)

SAMPLING TECHNIQUES FOR FOREST INVENTORIES (HARDBACK)

To get **Sampling Techniques for Forest Inventories (Hardback)** PDF, make sure you refer to the link beneath and download the ebook or get access to additional information which are highly relevant to SAMPLING TECHNIQUES FOR FOREST INVENTORIES (HARDBACK) book.

Taylor Francis Inc, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Sound forest management planning requires cost-efficient approaches to optimally utilize given resources. Emphasizing the mathematical and statistical features of forest sampling to assess classical dendrometrical quantities, *Sampling Techniques for Forest Inventories* presents the statistical concepts and tools needed to conduct a modern forest inventory. The book first examines design-based survey sampling and inference for finite populations, covering inclusion probabilities and the Horvitz-Thompson estimator, followed by more advanced topics, including three-stage element sampling and the model-assisted estimation procedure. The author then develops the infinite population model/Monte Carlo approach for both simple and complex sampling schemes. He also uses a case study to reveal a variety of estimation procedures, relies on anticipated variance to tackle optimal design for forest inventories, and validates the resulting optimal schemes with data from the Swiss National Forest Inventory. The last chapters outline facts pertaining to the estimation of growth and introduce transect sampling based on the stereological approach. Containing many recent developments available for the first time in book form, this concise and up-to-date work provides the necessary theoretical and practical foundation to analyze and design forest inventories.
