

Circle O Can Rock and Roll !

Filesize: 8.03 MB

Reviews

*This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).
(Prof. Ophelia Wiegand I)*

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 269 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Children delight in finding Circle O within a box, a balloon, a star, and a crayon in this, our second book of the Limber Line, Circle O, and Oval Note, Early Developmental Literacy series. Tracing Circle O with their fingers helps them to develop small motor skills. Putting glue on at least one illustration of Circle O adds a second, tactile pathway to the brain. The first and second books together prepare for the imaginative third book, Line and Circle O Are Friends, in which Line and O explore geometry. Sometimes straight, sometimes twisty, and sometimes even disappearing, Limber Line and Circle O help make early learning engaging and fun. We hope you ll enjoy this book and look forward to the fourth one in which Line and O play a hide-and-seek, finger play game.
