GABRIEL S WIZARD: A MYSTICAL JOURNEY THROUGH ALASKA

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Gabriel s Wizard is a tale of metaphysics and magic in the real world today. A young adventurer makes his way to Alaska anticipating bears and wolves and the beauty of the Last Frontier but in his travels he stumbles upon an old Alaskan mountain man and discovers a powerful wizard as wise in the ancient teachings as he is in the modern world. On one incredible full-moon night our hero must walk between shadow and light through encounters and dangers that test his spirit - and he must face his own abyss to learn of wisdom and power. He discovers a depth of understanding that he didn t know existed. He discovers there are some who walk among us that have the knowledge and ability to move and shape the unfolding of reality and they can use this to work with life as a potter might work with clay. In so doing he learns of purpose and direction for his own life as he is shown two paths; that of the warrior and that of the priest, the world of the physical and the world of the spiritual. He learns that magic is indeed real even today - and within his grasp. His story is an awakening to any who have ever asked the deep questions and felt the call of life. Wisdom is not a secret because there are attempts to keep it hidden; wisdom is a secret because so few seek it.
