FUNCTIONAL GROUP CHEMISTRY (PAPERBACK)

Royal Society Of Chemistry, United Kingdom, 2001. Paperback Condition: New. Language: English . Brand New Book. Functional Group Chemistry presents the chemistry of functional groups with an emphasis on patterns of reactivity, the consequences of the relative electronegativity of the atoms that constitute functional groups, the role of lone pairs and the stereochemistry of reactions at a particular group. The material is presented in four chapters. The first chapter describes some of the general principles that affect the reactivity of...

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Adell Lubowitz**

This created publication is wonderful. it absolutely was writtem extremely completely and beneficial. I discovered this publication from my dad and i encouraged this publication to discover.

-- **Kristina Kshlerin DDS**

This book is very gripping and exciting. I was able to comprehended everything out of this written e publication. You will not truly feel monoto ny at at any time of your respective time (that's what catalogs are for concerning should you question me).
