Grover Cleveland was afflicted by cancer, and saw the economy collapse. In filling out Lincolns second term, Andrew Johnson was impeached. This intriguing book supplies many examples that the so-called second-term curse is not legend at all, but real. As well as instances of some Presidents, such as Teddy Roosevelt, Andrew Jackson, and James Monroe, who managed to beat the second-term fall. It provides insights into how second-term woes can be avoided which can prove useful to any executive, or office worker or student, in any field or career.
