This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FIVE VOICES FIVE FAITHS: AN INTERFAITH PRIMER

Cowley Publications,U.S., United States, 2005. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book. In this unique book about the major religious traditions of the world, a practitioner from each tradition Hinduism, Judaism, Buddhism, Christianity, and Islam introduces the basics of his or her faith and participates in a conversation about the challenges of being faithful in the modern world. Each essay and conversation is followed by a list of suggestions for further reading. Written for the non specialist, Five Voices Five Faiths is an accessible book in which neighbors honor both our differences and our common bonds. Some may say that my only obligation to other non-Christian believers is to preach the good news of God in Christ Jesus. I understand the position, and for much of my life subscribed to it. But today, as a middle-aged woman, with grown children and aging parents, another line from the Christian gospels compels me. Today, I reflect more deeply on the new commandment Jesus gave, to love one another as he has loved us. In order to be obedient to that commandment, I understand myself to be required to participate in conversations in which I am not afforded the last word or the luxury of full agreement, compliance, or conversion. This love requires that I involve myself in the lives of others, even when my most basic human instinct is to run, to hide, and to avoid the unfamiliar. The love that Jesus commands of me requires that I, as he has done before me, kindle and engender deep relationships...
