## LEAD POISONING (PAPERBACK)

Barking Rain Press, 2014. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Mob troubleshooter Kevin Markinson would like to retire from his profession and join his family in New Hampshire--but some jobs are hard to leave behind. A former Marine sniper who is also a fugitive for a crime he didn't commit, Kevin soon finds a greater challenge when he returns home to try and settle down with his wife and two sons who are little more than strangers. His family might not want him in their lives, but his mob bosses still rely on his services, forcing Kevin to juggle between the dark world of organized crime, his role as a husband and father, and his need to keep one step ahead of the law. If he can't, he stands to lose everything, including his freedom. An unusual crime novel about what happens after a life of crime: when the killer has aged, when he's hobbled by multiple old gunshot wounds, when he's deeply entrenched in habits that accommodate a raging case of post-traumatic stress disorder. Most significantly, this damaged loner has to insinuate himself back into family and social life - tasks for which he has no skills. Lead Poisoning is a character study, not just of Kevin, but also of his wife and two sons, and each person's hard struggle to move closer to something like family. - Rae Francoeur, Cape Ann Beacon The reader cannot help but root for this family. Parts of their lives are familiar and routine; basketball games, school board meetings, shopping for a new car, passing a driver's license exam, a poignant afternoon at a family funeral. But (and the reader knows from the first page that there...
