

## Streamlined Capitalism for World-Economic Prosperity with Peace, Steady Growth, and Financial Safety: Future Open-minded Magnanimous Thinking is Needed

By Venkareddy Chennareddy

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The United States, a highly educationally advanced, financially rich, and militarily powerful, has been capable of achieving many most desirable institutional setups both for the United States and for the rest of the entire world so that all people in the entire world would be living in an atmosphere of permanent peace, safety, and with at least minimum necessary financial resources to survive decently in this world but such energy was untapped and not used to make all people in the world live happily. One good example in the modern history of the world for at least eliminating the undesirable atmosphere of continued cold war between the United States and the Union of Soviet Socialist Republic (USSR) and competing race of building up of undesirable capital of mass destructive weapons, not congenial to the well-being of all people, and reducing the chance of World War III, if not to zero, was the magnanimous behavior, attitude, personal decision, and political action of Honorable Mikhail Gorbachev, the then President of USSR, with an implied most possibility of sacrificing stability...
