DEMOCRACY IN BRITAIN

To read **Democracy in Britain** eBook, please follow the link listed below and save the file or have accessibility to additional information which are highly relevant to DEMOCRACY IN BRITAIN ebook.

Edinburgh University Press. Paperback. Condition: new. BRAND NEW, Democracy in Britain, Matt Cole, This textbook brings together an introduction to the political theory of democracy since Ancient times and a critical picture of its place in Britain today. The author examines the work of Plato and Aristotle, Rousseau and Mill, Marx and Weber, and locates them and others in the debate about what democracy means. He then scrutinises Britain's claim to be a developing democracy, from the power of the Prime Minister and the role of political parties to the influence of pressure groups and the media, as well as recent constitutional changes. In the context of declining public trust in political institutions and increasing reluctance to vote, crucial questions are tackled: do we have a democracy, and why does it matter? Key Features: *A wide-ranging, accessible introduction to the place of Democracy in Britain today *Divided into two halves: on democratic theory (reflecting its history, development, and key concepts) and democratic practice (examining political institutions) *Offers examples of documentary material to illustrate the ideas presented *Up-to-date: includes material written after the 2005 General Election.
