

Restless Giant: The United States from Watergate to Bush vs. Gore

Filesize: 7.51 MB

Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Restless Giant: The United States from Watergate to Bush vs. Gore, James T. Patterson, James Patterson's Bancroft Prize-winning Grand Expectations, the penultimate volume in the Oxford History of the United States, was hailed by The New York Times as "a spirited, sprawling narrative of American life" and by The Wall Street Journal as "a tour de force." Now, in the final chronological volume of this acclaimed series, Patterson again offers an authoritative and vibrant history of a turbulent period in American life. Restless Giant provides a crisp, concise assessment of the twenty-seven years between the resignation of Richard Nixon and the election of George W. Bush, in a sweeping narrative that seamlessly weaves together social, cultural, political, economic, and international developments. We meet the era's many memorable figures-most notably, Ronald Reagan and Bill Clinton-and explore the "culture wars" where liberals and conservatives, including a resurgent Religious Right, appeared to cut the country in two. Indeed, Reagan helped to usher in a widespread conservative revolution, but even as the Right was ascendant politically, it did not succeed in reversing more liberal trends. Patterson describes how, when the Cold War finally ended, Americans faced bewildering new developments around the world and discovered-in Panama, Somalia, Bosnia, and Iraq-that it was far from easy to direct the outcome of global events. In exploring a wide range of cultural, social, and economic concerns, Patterson shows how the persistence of racial tensions, high divorce rates, alarm over crime, and urban decay all led many writers to portray this era as one of decline. But Restless Giant offers a more positive perspective, arguing that our often unmet expectations caused many of us to view the era negatively, when in fact we were in many ways better off...
