## STRIKE COMMAND (PAPERBACK)

Headline Publishing Group, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. The two key components of air warfare conducted by the Royal Air Force virtually for the whole of the last century were the fighters and the bombers. By the 1960s these two roles had evolved into a single force known in the RAF by its current title, Strike Command. Colloquially, their pilots were known as Top Guns. Full of personal tales of airborne derring-do in just about every conflict in which Britain has been engaged, this is the latest in John Parker s excellent series of elite fighting units.
