## A CREATURE WAS STIRRING: A TWISTED CHRISTMAS ANTHOLOGY (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Haven t you noticed the starved glint in the eye of the person telling you that, baby, it s cold outside? Haven t you wondered what eldritch magic was in that old silk cap put on Frosty? Don t you need some scary ghost stories to tell during this most wonderful time of the year? In Thomm Quackenbush s warped winter wonderland, Santa is more than a benevolent gift-giver and you may pay richly for an unconvincing present-face. Through tales fantastic and close to home-where family mythology hinges on tragedy, where a misspelled letter to Santa brings infernal bureaucrats, and where the forces of Christmas cheer have been playing a long con-Quackenbush creates a holiday tableau that will make you laugh aware your uneasiness. Be wary, because it won t be visions of sugarplums dancing in your head when you are done.
