JESUS CHRIST: A PAGAN MYTH: EVIDENCE THAT JESUS NEVER EXISTED

[DOWNLOAD](#)

Createspace, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jesus Christ: A Pagan Myth, is a detailed comparison of the religious and ethical beliefs held by the Greco-Roman world and the views held by Paul, the apostle to the Gentiles, and the Gospel of Mark, the earliest written gospel in the New Testament. Why do Mark and the gospels that followed him, as well as Paul s letters, reflect not Jewish ethics but rather the Stoic ethics of the Greco-Roman pagan world? Why the striking similarity between the religion of Paul and the mystery religions of the pagan world which surrounded him? Why are Mark and Paul so anti-Jewish? Why are Jesus last words Why have you (God) abandoned me? Why does Jesus feel he is dying on the cross, a failure, that he is deserted by God? Jesus Christ: A Pagan Myth presents evidence that Jesus is a literary fiction, one derived from a Greco-Roman pagan environment. This evidence is taken from the New Testament, particularly from Mark and the letters of Paul, and from modern Christian scholars. NEWS: A new version of this book has now been published. It is the first in a series to be published in the next few months - Jesus Never Lived! Vol I Jesus Christ: A Pagan Myth. This is the third edition and has been revised and expanded. Over 150 pages of new material has been added. So be sure to check out Jesus Never Lived! Vol 1 Jesus Christ: A Pagan Myth.
