THIRTY-THREE DAYS OF PRAISE: SEEING THE GOOD IN CANCER (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Honorable Mention - Best Books by Black Authors 2014 by acclaimed literary critic Kam Williams Thirty-Three Days of Praise is amazingly inspirational, and Karrie Marchbanks has crafted it in such a way that you re compelled to continue turning the pages until you ve reached the very end. From the very beginning, she captures your attention with her wit, and as you journey with her through this incredible passage, you ll experience a myriad of emotions from a testimony so powerful; you ll never be the same. SD Denny, Author and Freelance Editor An egg boiled in water will harden, but a potato boiled in that same water will soften. As Christians, it s up to us to decide whether we will harden our hearts and lose faith when we are thrust into the fire of testing, or if we will soften our hearts and faithfully believe that God is in control and that no weapon formed against us shall prosper. Thirty-Three Days of Praise is more than just one woman s story of breast cancer survival; it s a story of challenge and opportunity, a story of God s love and faithfulness and a story of victory! Through her testimony, award nominated Author Karrie Marchbanks teaches us that when we learn to unlock the most powerful weapon we have as Christians, we can take any challenge we face and turn it into a blessing. Note: A percentage of every book sold is donated by the author to breast cancer charities.
