Brand New Book ***** Print on Demand *****.Excerpt from The Geological Map of the United States and the United States Geological Survey, 1892 Preface. - This paper is published in order to call attention to the incompetence and extravagance of an administration, bent on entailing difficulties on American Geology which may be perpetuated for centuries in the future. As Geologists we are all concerned in the doings of the United States Geological Survey, and on us fall the duty to expose the wrong already done, and to prevent, if possible, any further great blunders. America presents such a splendid field for the progress of Geology, that it is almost unendurable to see it spoiled by unskilful hands, not trained and educated for the work. It is an uncongenial task, and I have hesitated before undertaking it. But after long consideration, I wrote it, with the full knowledge of what is in store for me. I shall be either misunderstood, or disapproved; for it is always unsafe to be too far in advance of your time. In order to see the effect produced, I asked...

Reviews

I just started off reading this article publication. This really is for all who stätte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.
