

On God: An Uncommon Conversation

By Lennon, Michael. Mailer, Norman.

Random House. 1 Paperback(s), 2007. soft. Book Condition: New. "I see God," wrote Norman Mailer, "as a Creator, as the greatest artist. I see human beings as His most developed artworks." In these moving, amusing, and probing interviews conducted late in his life, Mailer establishes his own system of belief, rejecting both organized religion and atheism, avowing that sensual pleasures were bestowed on us by God; he finds fault with the Ten Commandments; and holds that technology was the Devil's most brilliant creation. Exhibiting what USA Today called "the glory of an original mind in full provocation," the two-time Pulitzer Prizewinner contributes an introduction to his final book, from 2007. 215.

Reviews

It in just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

-- Matteo Torp

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehended every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book. -- Tomas Flatley
