

## Textile World Kink Book, Vol. 9 (Classic Reprint) (Paperback)

Filesize: 5.06 MB

### **Reviews**

*A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Dr. Isabell Wiza DDS)*

## TEXTILE WORLD KINK BOOK, VOL. 9 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Textile World Kink Book, Vol. 9 It is always a great pleasure to present a new Kink Book to our friends who read Textile World. So many of these friends co-operate during the year in supplying material for the Questions and Answers Department of Textile World that we really consider the publication of these annual Kink Books to be a mutual undertaking. For the information of new readers we might explain that for many years it has been the practise of the publishers of Textile World to compile what they consider the best technical questions and answers submitted by mill men during the preceding year and to publish this in handy book form. If your travels take you among the mills, you will find thousands of superintendents and overseers who have considerable collections of these annual Kink Books. Any practical mill man who has such a collection of Kink Books possesses a technical library on practical mill work which can scarcely be excelled. There are few problems in mill operation, production and management which have not been covered by these questions and answers. The demand for Kink Books has been so large that we have had to place a price of \$1.00 per copy for those who are not subscribers to Textile World. Every subscriber to Textile World is entitled to his choice of one Kink Book free with each year s subscription. Subscribers who wish to acquire additional Kink Books may purchase them at the special price of 75 cents per copy. We take this occasion to acknowledge our indebtedness to the many contributors to Textile World, including manufacturers, superintendents, overseers and experts in mechanical and chemical lines....
