Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Invention Of Wings: An Incredible Summary! The Invention of Wings is a book written by Sue Monk Kidd. The novel itself is about a girl named Hetty (nicknamed Handful ) and her troubled life as a slave in the early nineteenth century in Charleston, where Hetty is desperately wanting and waiting for a better life than the one she lives now. Kidd s novel begins on the eleventh birthday of Sarah Grimke. She received her gift, and as her gift, she got Hetty, a ten-year-old girl, who was intended to be her handmaid. We follow the life of Hetty through the course of thirty five years, as she struggled for freedom and destiny, which was very often filled with estrangement, guilt and sorrow. Perhaps, the best thing about this novel is that the author referred to a real, historical person of Sarah Grimke, and did a fine job in combining events of Sarah s real life and fictional events, which were written in order to make everything even more interesting. The Invention of Wings is a very exquisitely written novel, a novel where storytelling is everything. Because in this book, we read not just about the lives of two girls (women later), but we also read about the darkness in American history, and the female struggle for freedom and liberation, which will leave no reader unmoved. Here Is A Preview Of What You Will Get: In The Invention Of Wings, you will get a detailed summary of the novel In The Invention Of Wings, you will find some analysis to strengthen your knowledge about the book In The Invention Of Wings, you will get some fun multiple choice...
