## The Leadership Pipeline: How to Build the Leadership Powered Company

By Ram Charan

Jossey-Bass. Hardcover. Book Condition: New. Hardcover. 352 pages. Dimensions: 9.1in. x 6.2in. x 1.2in. An updated and revised version of the bestselling The Leadership Pipeline the critical resource for how companies can grow leaders from the inside. In business, leadership at every level is a requisite for company survival. Yet the leadership pipeline the internal strategy to grow leaders in many companies is dry or nonexistent. Drawing on their experiences at many Fortune 500 companies, the authors show how organizations can develop leadership at every level by identifying future leaders, assessing their corporate confidence, planning their development, and measuring their results. New to this edition is 65 pages of new material to update the model, share new stories and add new advice based on the ten more years of experience. The authors have also added a Frequently Asked Questions section to the end of each chapter. Q and A with Co-Author Steve Drotter What is the single thing that has changed the most in leadership since The Leadership Pipeline was first published in 2000? Since communication is such a central requirement for leaders, the changes in electronic communication have to be at the top of the list of impactful changes. Hand-held devices, social media and speed...
